

01442 247909

Commonsense are pleased to be able to supply a back office system which offers real time, live information available on-line. Information can be monitored and managed from any enabled location for real time reporting of stock and sales without the need to invest in expensive servers. The system can also include added security features such as journal monitoring or CCTV surveillance. For further details contact 01442 260586
